

NCI Laparoscopic colorectal cancer (CRC) workshop,

For laparoscopic and non-laparoscopic surgeons

Under supervision of:

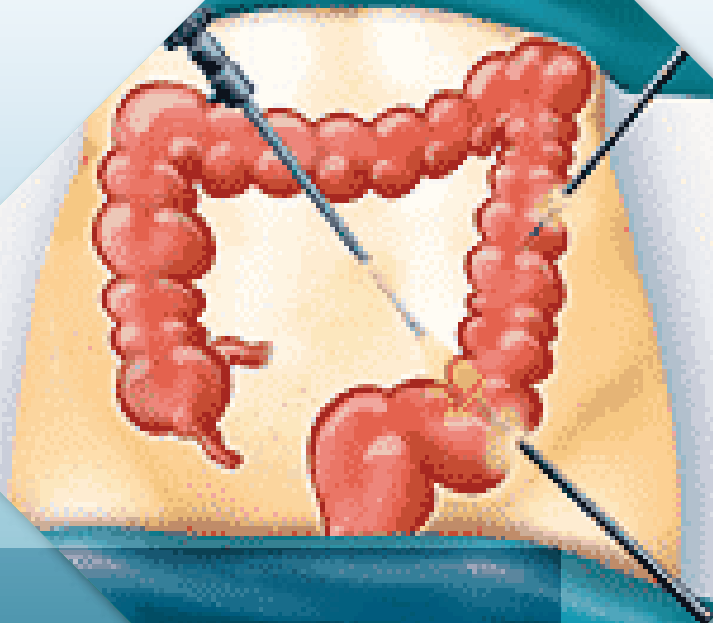

Prof. Magdy Elsherbiny
Head of surgical department.

Course Director

Prof. Fouad AbdelShaheed
Head of GIT surgical oncology unit.

Course Coordinator

Prof. Ahmed Mostafa

Monday,
31 October
2022

Course Venue
Dr. Nabil Elbolkeny Hall
(Grand Hall), NCI

NCI BO 2022

Chairpersons Alphabetically

Prof. Ahmed Morsi

Prof. Ahmed Mostafa

Prof. Ahmed Touny

Prof. Faisal Amer

Prof. Fouad AbdelShaheed

Prof. Gamal Amira

Prof. Hany Elnaggar

Prof. Hesham Anwar

Prof. Hussein Soliman

Prof. Medhat Khafagy

Prof. Mohamed Gamil

Prof. Mounir Aboal Ela

Prof. Osama Elmalt

Prof. Osama Soliman

Prof. Salah Elshazly

Prof. Sherif Maamoun

Prof. Waheed Yousry

Aim of the workshop

Laparoscopic colorectal surgery is the standard of care for colorectal cancer patients, this one-day workshop is designed to provide insight on different laparoscopic procedures of colorectal cancer and cover the most recent advances in the field, through step by step approach and tips & tricks video presentations that will provide a comprehensive approach and organized learning module. In the last part of the workshop, real-life laparoscopic colorectal surgery will be performed.

Educational methods

- Plenary lectures
- Video-based discussions (tips & tricks)
- Life case transmission

Target group

- Residents in surgery
- Fellow surgeons
- Junior colorectal surgeons
- Experienced consultant surgeons willing to broaden their knowledge of colorectal cancer surgery.

**National
Cancer
Institute**
Cairo University

NCI & 2022

Registration 8:30- 9:00

Morning session 9:00 -11:30

**Anatomical gateways for safe laparoscopic resection of CRC
(9:00-9:20)**

Prof. Ahmed Mostafa

**Step by step laparoscopic left colectomy
(9:20 -9:40)**

Dr. Mohamed Atef

**Splenic flexure mobilization
9:40-10:00**

Prof. Abdrabou Mashhour

**Step by step laparoscopic right colectomy. Medial to lateral approach
(10:00-10:20)**

Dr. Mohamed Mostafa

**Step by step laparoscopic right colectomy. Lateral to medial approach
(10:20- 10:40)**

Prof. Ahmed Mostafa

**Laparoscopic right colectomy/ CME approach
(10:40-11 :00)**

Dr. Haitham Fekry

**Laparoscopic nerve sparing TME
(11:00- 11:30)**

Prof. Waheed Yousry

Coffee break 11:30 -12:00

Afternoon session 12:00- 2:30

Management of intra operative complications during laparoscopic CRC
(12:00-12:30)
Prof. Waheed Yousry

Laparoscopic CRC in obese patients, evidence based and current practice.
(12:30-12:50)
Dr. Mohamed Abdelhamid

Laparoscopic CRC in geriatric age group, evidence based and current practice.
(12:50-1:10)
Dr. Waleed Akmal

Alternatives for low rectal cancer, TaTME
(1:10-1:30)
Prof. Mohamed Raslan

Alternatives for low rectal cancer, TTSS
(1:30-1:50)
Dr, Ayman Elhanafy

ERAS protocol after laparoscopic CRC.
(1:50:2:10 minutes)
Dr. Antony Nazhy

QOL assessment after laparoscopic CRC.
(2:10-2:30)
Dr. Mohamed Adel

Launch 2:30

Life transmission 12 PM

Focus on

- Preflight check
- Retraction forces
- Mesenteric fold management
- Anatomical gateways for smooth mesocolon separation from retroperitoneum
- Controlled anastomosis
- Patient position and fixation
- Role of assistant.
- Trocar ergonomics
- Field preparation

Reservation details: Workshop will be at the accounting department
